WREATH TREATS

½ stick of butter
1 bag of mini marshmallows
¾ bag of Corn Flakes
Green food coloring
Red hot candies

Melt butter in pan and stir in marshmallows. Stir over medium heat until marshmallows become a liquid. Add in food coloring until desired color is achieved. Add in corn flakes and stir until coated with color. Shape into circles on parchment paper (using water or butter on hands to keep from sticking). Place red hot candies on wreaths and let sit in refrigerator until set up. Can also freeze if needed. (Let defrost before serving).
